

Accessibility

South Central Regional Transit District service is accessible to persons with disabilities. Buses are equipped with wheelchair lifts that enable persons in wheelchairs or persons who cannot navigate steps to ride the bus. Buses have priority seating for persons with disabilities. Operators are trained to assist riders who use lifts, secure wheelchairs, provide information on destinations served, and announce stops, including any stop you request.

You may travel with your respirator, concentrator, and portable oxygen. Service animals are welcome on board buses and vans and in our facilities. They must be kept under the control of the passenger. Public information is available in alternative formats upon request.

Reasonable Modification Policy

Passengers with disabilities may request modifications to current service procedures to access the service. To make a request, please call us at 575-323-1620 or email us at admin@scrted.org. The staff will discuss the reasonable modification policy with you.

SCRTD will not charge additional fees for passengers requiring reasonable modifications.
