

South Central Regional Transit District New Green Route Launches Effective Monday, October 28

Effective Monday, October 28th, the District will begin operation of bus service carrying passengers from Garfield, Salem, Hatch, Rincon, Radium Springs, and the Village of Doña Ana to Las Cruces. The new service will provide access to work and school as well as support trips to medical appointments and other locations in order to provide independence for those residents wishing to travel within Doña Ana County.

The Green Route will operate four round trips daily, Monday through Friday, beginning with its first trip from Garfield at 6:10 a.m. and continuing throughout the day until its final stop 7:15 p.m. Additionally, in Las Cruces there will be stops at the Doña Ana Community College, East Mesa Campus, Mountain View and Memorial Hospital, Mesilla Valley Mall, and New Mexico State University. In Las Cruces, District buses will share bus stops and shelters provided by RoadRunner Transit.

Bus schedules are available on the bus and at local activity centers, including Las Cruces City Hall and Library, La Clinica and post offices near bus stops along the route. Additionally, schedules are available via Google maps, just type in the destination and follow the prompts for routes and times for travel.
